

St Paul's Sporting Times

Wet, soggy, thrilling day at the Year 5/6 Tag Rugby Tournament!

Tag Rugby Report

On Tuesday the 28th of March we attended the Rugby Finals competition at Grasshoppers. There was at least 8 different schools that took part from around the borough of Hounslow and it was extremely wet! It was really nice of Grasshoppers to let us play on the AstroTurf pitch which is the 1st Team pitch!

We played 5 different games and we managed to draw a game against Smallberry Green where the score was 1 try each.

Overall, we scored 3 tries in total and we really enjoyed ourselves. I want to thank Mr Kearney for taking us and hopefully we get to play more games in the future.

Casey 6J and Maryam 5K.

Wow, sounds like it was a great despite the weather not quite playing ball for us. Mr Kearney mentioned how proud he was of everyone who took part in the competition and was glad the children competed well and most importantly had lots of fun!
